

Representing in the NORTHERN NEW JERSEY Market

Custom All-Aluminum Air Handling Unit

Air Purification Systems for Indoor Environments

High-Efficiency Custom AHU & Packaged Solutions

Low-Temperature Refrigeration & Dehumidification Solutions

Paragon Dedicated Outside Air Units

Active Desiccant Dehumidification

High-Efficiency Cooling Towers and Closed Circuit Coolers

Cooling Tower Control Panels/VFD's

Full Range of Small Office, Commercial, and Connected Air Purification Solutions

Heat and Energy Recovery Ventilators

Custom-Engineered Air Handling Units

Solid Separators & Media Systems

Air Cooled & Water Cooled VRF, Ductless Splits, Heat Pump Chillers, Ventilation Solutions

Hydronic & Self-Contained Unit Ventilators and AHUs

Liquid Desiccant Air Conditioners

Hydronic Fan Coils & PTAC's

Plate & Frame Heat Exchangers

Vertical Unit Ventilators, Energy Recovery Ventilators, Air Handling Units

Packaged Rooftop Units & Commercial Split Systems up to 150 Tons

Energy Recovery Wheel Systems

Vibration Isolation

Air Handling Units

Water Source Heat Pumps & Modular Chillers
